PLEASING RUMORS AT VIRGINIA BEACH

New York Money to Be Used in Development of the Finest Beach.

[Special to The Times-Dispatch.]
VIRGINIA BEACH, VA., July 4.—There is a well authenticated rumor affloat to the effect that the Virginia Beach Development Company have sold their holdings here to a syndicate that was lately formed in New York. It is further alleged that the new company will spend a good deal of money in the development of the finest beach on the Atlantic Coast.
A great many improvements are contemplated, principally among them will be an up-to-date hotel to take the place of the burned Princess Anne. It is also said that the new company will build another trolley line to Norfolk by a more direct route that will make the run between the beach and Norfolk in thirty minutes. An automobile boulevard between here and Norfolk is also in contemplation.
Among the amusement features that have recently been added to the Beach attractions is a moving picture layout and a new switchback. Several other new amusements of a smaller calibre have shown up. All of these add to the attractions that are to be taken in with the finest surf bathing in the world. Visitors are coming from every point of the compass.

MORE BUSINESS IN EMPORIA.

Woodworking Establishments Not Suffering for Orders.
[Special to The Times-Dispatch.]
EMPORIA, VA., July 4.—The box-shock factories of Emporia, and, in fact, all of the woodworking establishments are crowded with orders, and all are working full forces, some of them day and night. This is taken as an indication of general business revival throughout the country. The enterprises in the woodworking line had dull business in the early part of the year, but there is now no complaint of slow trade among the woodworkers of Emporia. The products of these establishments are shipped to all points of the compass, and the numerousness of orders at the present time is a sure sign of good times generally.

Prompt Payments

It takes more than a year to settle up the average estate—even a small one. But an estate that consists of a policy, or policies, in the Equitable Life is settled and the money paid twenty-four hours after proofs of death are received.

The Equitable has a reputation for the prompt payment of death claims and the prompt settlement of maturing policies unequaled by any other insurance organization in the world.

This is something to consider when you're making an insurance contract to protect your family or provide for your own later years.
